The Hilton Neighborhood Association is a group of individuals, families, and businesses who are dedicated to building a community that is attractive and safe, supporting the well-being of families and children, valuing the racial and cultural diversity of our community, promoting the quality of local cultural and educational institutions, and enhancing the economic viability of residential and commercial properties. The Hilton section is south of Springfield Avenue, from the Irvington-Maplewood and Maplewood-Union borders. The HNA meets the third Thursday of every month. Please join us!
